HOMECOMING ELECTIONS

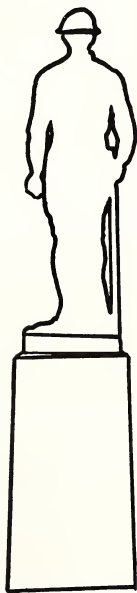

In the heart of Mississippi,
made by none but God's own hands,
Stately in her natural splendor,
our Alma Mater proudly stands;
Mississippi State we love you,
fondest memories cling to thee,
Life shall bear thy spirit ever,
Loyal friends we'll always be,
Maroon and White, Maroon and White!
Of thee with joy we sing;
Thy colors bright, our souls delight,
with praise our voices ring.

BULL SESSION

Tho' our life some power may vanquish,
loyalty can't be o'er run,
Honors true on thee we lavish,
until the setting of the sun;
Live Maroon and White forever,
ne'er can evil mar thy fame,
Nothing us from thee can sever,
Alma Mater we acclaim.

Maroon and White, Maroon and White!
to thee our hearts will cling,
Thy sons will fight with all their might
for thee in everything.

THE CRESWELL-HILTON

1964 REVELLE

Only a handful of students attempt to compose a book which will hold the wonderful memories of your college life. It has been a long, hard, tedious job, and we have often wondered if it could be done. Through all the trials and tribulations we have enjoyed it, and we hope you will be proud of and pleased with your '64 REVEILLE.

Secretary Barbara Bratton

Treasurer David Divine

SCHOOL

DR. CHESTER MCKEE

*Dean of Graduate
School*

B.S., Mississippi State University

M.S., University of Wisconsin

Ph.D., University of Wisconsin

The Graduate School has been in operation since 1936, and in the last ten years has given more Master's Degrees than the entire university gave Bachelor's Degrees from the time of its founding in 1880 to the formation of the Graduate School in 1936.

The number of fields in which advanced degrees are offered is increasing every year, and the Graduate School is doing much to further the interests of higher education in Mississippi. All over the world, men and women with graduate degrees from Mississippi State University may be found working for the betterment of their society.

COLLEGE OF

STUDENT OFFICERS

President Duke Morgan

Vice President Ross Ingram

Secretary-Treasurer C. O. Herchenhahn

AGRICULTURE

DR. LOUIS N. WISE

*Dean of College of
Agriculture*

B.S., Louisiana State University

M.S., Louisiana State University

Ph.D., Purdue University

The College of Agriculture was one of the primary objectives of the original founding, when the university was known as Mississippi Agricultural and Mechanical College. The College of Agriculture has always played an important part in the development of the university, and through its efforts, many improvements have been made in the agriculture of the State of Mississippi and the nation.

The College of Agriculture endeavors to prepare men and women for research in the various fields of agriculture, for extension work, for service in the United States Department of Agriculture, for teaching in high schools and colleges, and for serving in many fields of business where a knowledge of agriculture and farm life are valuable in dealing with the farmer and the general public.

COLLEGE OF ARTS AND

STUDENT OFFICERS

President Newt Hamlin

Vice President Bob White

Secretary-Treasurer Kirk Shaw

SCIENCES

DR. L. C. BEHR

*Dean of College of
Arts and Sciences*

B.S., University of Minnesota
Ph.D., University of Illinois

The College of Arts and Sciences developed from the School of General Sciences established in 1903. The college tries to educate the student in broad fields of interest in addition to one major field. The program emphasizes the building of a useful and well-rounded life by providing for the student the opportunity to acquire the understanding necessary for him to contribute to the advancement of society.

The college offers many fine facilities for the use of its students, including those of the recently constructed Hilbun Hall and Hand Chemical Laboratory.

COLLEGE OF BUSINESS

STUDENT OFFICERS

President	Paul King
Vice President	Walter Stubbe
Secretary	Bill Harvey
Treasurer	Gary Hawkins
Representative	Ken Smith

AND

INDUSTRY

DR. WILLIAM FLEWELLEN

*Dean of College of Business
and Industry*

B.S., University of Alabama

M.S., University of Alabama

Ph.D., Columbia University

The College of Business and Industry at Mississippi State trains the student to take his place in the business world. He learns the techniques and skills of his major field, whether it be accounting, business administration, management, or one of the other fields of concentration offered by the college. The college strives to educate men and women for positions of responsibility in their respective business and professions, and to enable them to advance rapidly in their positions and in their appreciation of the values and obligations of good citizenship.

COLLEGE OF

STUDENT OFFICERS

President Sam Baker

Vice President Virginia Neal

Secretary Lindsey Hine

Treasurer Judy Davis

EDUCATION

DR. FRANCIS A. RHODES

*Dean of College of
Education*

A.B., University of Florida

M.A., University of Florida

Ed.D., University of Florida

The educational system of the State of Mississippi has a growing need for more teachers on the elementary and high school levels. This need is being met by Mississippi State's College of Education whose purpose is to train men and women for educational service in the public schools.

The College of Education has a functional type program, giving both classroom work and actual teaching experience to students who are interested in teaching or serving as school administrators, coaches, school counselors, or band directors.

COLLEGE OF

STUDENT OFFICERS

President	Glendon Bradley
Vice President	Bill Moore
Secretary-Treasurer	Bob Morrison
Representative	John Cockerhan

ENGINEERING

DR. HARRY C. SIMRALL

*Dean of College of
Engineering*

B.S., Mississippi State University
M.S., University of Illinois
Graduate Study, Pittsburgh University

The College of Engineering, rated as one of the finest in the nation, consists of courses of study designed to meet the requirements for engineers competently trained to assume responsibilities and leadership in modern industry and engineering organizations.

A well-trained staff, modern equipment and laboratories, and the finest facilities available assure the future engineer that he will receive the best possible education so that he might enter into the engineering world with a full understanding of his work.

COLLEGE OF

STUDENT OFFICERS

President Louidean Ball

FORESTRY

DR. ROBERT T. CLAPP

*Dean of College of
Forestry*

B.A., University of Pennsylvania
M.F., Yale University

The College of Forestry, unlike most of the colleges of the university, does not limit its work to the classroom, but includes a great deal of work in the field, putting classroom principles into practice.

Mississippi State offers excellent facilities for the College of Forestry, including the Northeast Mississippi Experimental Forest, an 8000 acre tract of land managed by the College of Forestry. This forest, well stocked with a variety of timber species and age classes, offers the student much practical experience toward becoming a competent forester.

GREEK WEEK

Greek Week, a new tradition on the Mississippi State campus, was held in the last week of November. The week began with the Housemother's brunch held at the Phi Mu house. During the week, the Fraternities and Sororities prepared for the Greek Week dance.

This year's convocation speaker was Dr. Porter L. Fortune, who spoke on success. All Greeks attended the banquet, which was held in the Mississippi State cafeteria.

Closing of Greek Week was celebrated Saturday night with the Greek Week dance, a Battle of the Bands, between the Counts and the Mark V's.

Many of the activities of the Week were canceled due to the death of President John Fitzgerald Kennedy.

GREEK WEEK COMMITTEE:

Robert Hardy	Chairman
Randy Pfeffer	Acacia
John Capen	Alpha Tau Omega
Celia Gannaway	Chi Omega
Bobby Joe Johnson	Delta Chi
George Tullos	Kappa Alpha
Gaddis Hunt	Kappa Sigma
Judy Cole	Phi Mu
Bob White	Phi Kappa Tau
Charles Kergosian	Pi Kappa Alpha
Clift Cartledge	Sigma Alpha Epsilon
Bob White	Sigma Chi
Bud Bratley	Sigma Phi Epsilon
Lee Fischer	Zeta Tau Alpha

Delta Pi Delta, the honorary forestry fraternity for students and faculty members in the School of Forestry, recognizes through its membership the attainment of outstanding scholarship and achievement in forestry.

The purpose of Delta Pi Delta is to promote, secure, and maintain a high degree of scholarship in forest education and to work toward the improvement of the profession. Delta Pi Delta annually sponsors the Keith C. Birdsell Award in Forest Utilization and a lecture series for the School of Forestry featuring outstanding leaders in the profession. In addition, it seeks to inculcate the spirit of scholarship among the lowerclassmen in the school.

Cardinal Key National Honor Sorority offers coveted membership to outstanding junior and senior women on the basis of excellence in character, scholarship, leadership, and campus activities. Like its brother organization, Blue Key, Cardinal Key stresses the highest standards in personnel.

Primarily a service group in action, Cardinal Key was instrumental in starting State's first Campus Chest Drive and the Student Honor Committee. Each year, the members assist with Freshman Orientation, High School Day, Homecoming, and Alumni Day. In addition, Cardinal Key serves as the official hostess for any campus function. Each spring, Cardinal Key recognizes one Freshman coed as being the most outstanding freshman girl of the year on the Mississippi State University Campus.

Cardinal Key was organized as a national honor sorority in the spring of 1932, as a direct result of a considerable number of requests from schools having similar men's organizations. The organizer and sponsor for a number of years was Mr. B. C. Riley. The Mississippi State University Chapter, the only one in Mississippi, was founded in 1954, with the assistance of the local chapter of Blue Key.

Beta Alpha Psi, founded on February 12, 1919, at the University of Illinois, is a professional and honorary accounting fraternity. Beta Kappa, the 54th chapter, was installed at Mississippi State University in November, 1960.

The purpose of Beta Alpha Psi is to encourage and foster the ideal of service as the basis of the accounting profession; to promote the study of accounting and its highest ethical standards; to act as a medium between professional men, instructors, students, and others who are interested in the development of the study or profession of accountancy; to develop high moral, scholastic, and professional attainments in its members; and to encourage cordial relations among its members and the profession generally.

BLUE KEY

One of the highest honors that a Mississippi State University Junior or Senior male student can obtain is that of selection to membership in Blue Key National Honor Fraternity. Selection of these men is made from a group of outstanding male students who excel in character, leadership, scholarship, and student activities. Only those who meet requirements in all of these highly important character traits are invited to join, and these high standards are the keystones which allow Blue Key to continually remain at the head of the honor fraternities in its field.

Blue Key's purpose, as seen in the motto, "Serving I Live," is to serve, and generously does it do this. During the past year, the local Mississippi State University Blue Key Chapter has undertaken many service projects including service during orientation, Homecoming, and High School Day; sponsorship of the annual Blue Key talent show for the Campus Chest Drive; and establishment of a scholarship program to aid deserving students. Additional service has been rendered in the complete promotion and backing of worthwhile campus movements.

Blue Key was founded at the University of Florida in 1924 by Major B. C. Riley. The fraternity grew out of a group of student leaders who were assembled at that campus to coordinate homecoming activities. From this beginning, Blue Key has grown into a national fraternity with chapters at 120 universities and colleges with a total membership in excess of 40,000. The Mississippi State University chapter of Blue Key was established in 1928 and has continually grown to its present group of twenty active members.

An excellent reason for the high quality of Blue Key men, particularly of Mississippi State's local chapter, is found when the achievements of the individual members are noted. Our local membership includes leaders in the student association, leaders in both local ROTC branches, leaders in both the campus yearbook and paper, and various leaders of major campus honor and professional societies. These individuals are the backbone of Blue Key, and they have made it synonymous with campus leadership and service.

Eta Kappa Nu is a national electrical engineering honor society. Its primary purpose is to recognize, promote, and reward outstanding scholastic achievement. Eta Kappa Nu is also dedicated to service—service to the Electrical Engineering Department, to the school, and to the engineering profession in general.

This highly selective organization originated at the University of Illinois in 1904. Although it was started as a professional or employment society, it was soon changed to an honor organization, with scholarship as its primary qualification. The society was founded with the idea that those in the electrical engineering profession who have manifested a deep interest and marked ability in their chosen life work should be brought into a closer union.

Gamma Omega Chapter of Eta Kappa Nu was installed at Mississippi State University in 1959. This chapter arose from the L. L. Patterson Engineering Society, which had been organized to recognize achievements among the electrical engineering students on the campus. Since its installation, this chapter has been highly successful. Chapter activities include participation in the Engineer's Day and Open House functions associated with the Electrical Engineering Department, as well as cooperating with the local IEEE chapter in worthwhile projects. Each year, Gamma Omega chapter presents an award to the outstanding freshman student in Electrical Engineering.

KAPPA DELTA PI

The purpose of Kappa Delta Pi is to encourage high professional, intellectual, and personal standards, and to recognize outstanding contributions to education. It invites to membership such persons as exhibit commendable personal qualities, worthy educational ideals, and sound scholarship. It endeavors to maintain a high degree of professional fellowship among its members and to quicken professional growth by honoring achievement in educational work.

Pi Tau Sigma, National Honorary Mechanical Engineering Fraternity, was founded in 1915 at the University of Illinois by a group of students and interested faculty members who realized the need to foster the high ideals of the engineering profession and who sought to stimulate interest in coordinate departmental activities. The Mississippi State Tau Nu Chapter was granted a charter in April, 1957, after a concerted effort on the part of 21 students under the direction of Dr. Charley Scott. The charter represented the 62nd charter to the organization which has recognized 28,000 notable mechanical engineers. The MSU Tau Nu chapter, during its seventh year, has become more firmly established as an honorary fraternity. The principal activities of the Chapter include a slide-rule class for freshmen and cooperation with all engineering activities on campus, such as Engineer's Day.

The Mississippi State University M-Club Association is an organization composed of boys who have lettered in one of the four major sports at Mississippi State: football, basketball, baseball, and track.

The purpose of the organization is to promote fellowship among the athletes on campus.

The Athletic Department sponsors the M-Club and many of the coaches are on the club's advisory staff.

Each year the M-Club sponsors the annual Maroon and White intra squad game at the conclusion of spring football practice. The club also has an annual picnic for its members, the coaching staff, and members who have graduated.

ELDER STATESMEN

The Elder Statesmen are a group of Junior and Senior boys who represent a cross section of our campus. This group meets weekly to discuss topics of social, cultural, spiritual, and technical importance. The members have the opportunity to hear faculty members and guest speakers talk on these important topics, and a period is left at the end of each talk for a group discussion. Through these meetings the members gain valuable knowledge on these topics and grow personally through group experience.

Philo Demos is a Christian Democratic Leadership organization sponsored by the Mississippi State University YMCA. The Club was founded by the "Y" in 1955 to provide training in leadership, public speaking, and parliamentary procedure for outstanding members of the freshman and sophomore class.

The name "Philo Demos" was derived from the two Greek words meaning "lovers of democracy."

The Club holds weekly dinner meetings with informative speakers and discussion sessions featured as programs. Christian fellowship is inspired among members by mutual sharing of ideas at meetings.

Omicron Delta Kappa, National Leadership Honor Society for college men, was founded December 3, 1914, at Washington and Lee University. The Alpha Chi Circle was established at Mississippi State University on May 21, 1937.

Omicron Delta Kappa promotes the idea that leadership of exceptional quality and versatility in college should be recognized, that representative men in all phases of college life should cooperate in worthwhile endeavor, and that outstanding students, faculty, and administration members should meet on a basis of mutual interest, understanding, and helpfulness. Omicron Delta Kappa was the first college honor society of a national scope to afford recognition and honor for meritorious leadership and service in extracurricular activities and to encourage the development of general campus citizenship. Omicron Delta Kappa places emphasis on a strong secondary membership requirement of scholarship.

Membership in Omicron Delta Kappa is awarded to undergraduate junior and senior men, to male graduate students, to male members of the faculty and alumni, and to other men who have attained outstanding success in professional life. Indispensable qualifications for membership are exemplary character, responsible leadership and discriminatory service in campus life, superior scholarship, genuine fellowship, and a consecration to democratic ideals. Election is based on merit, is irrespective of a person's affiliation with other organizations, and is without solicitation to insure acceptance of membership.

PHI KAPPA PHI

The honor society of Phi Kappa Phi was founded at the University of Maine in 1897. Pennsylvania State University and the University of Tennessee were also charter chapters. At present the society has approximately ninety active chapters.

The primary objective of the society has been, from the first, the recognition and encouragement of superior scholarship in all fields of study. Good character is an essential supporting attribute to those elected to membership.

Phi Kappa Phi is open to seniors in the top eighth of their class and to second semester juniors in the top twentieth of their class. Similar limitations are placed on the election of graduate students.

TAU BETA PI

Tau Beta Pi, National Engineering Honor Society, was founded at Lehigh University in 1885 by Dr. Edward Higginson Williams, Jr. to mark in a fitting manner those who have conferred honor upon their Alma Mater by distinguished scholarship and exemplary character as undergraduates in engineering or by their attainments as alumni in the field of engineering, and to foster a spirit of liberal culture in the engineering college of America.

In 1928 the Mississippi Alpha Chapter of Tau Beta Pi was established on the State campus. Mississippi Alpha, in the fall and spring of each year, extends membership to those men who have fulfilled the requirements as set forth by Dr. Williams. The goal of every engineering student is to meet the requirements of Tau Beta Pi, for not only is this the highest undergraduate engineering honor he can receive, but it affords him fellowship and the opportunity to be of service to the College of Engineering.

Meetings are held twice each month to give members a better professional outlook and to organize the many projects which Tau Beta Pi sponsors. Encouraging scholarship and extracurricular activities, serving as guides for "Engineers' Day," and recognizing the outstanding freshman at the annual Engineers' Banquet are only a few of these projects.

DEAN ADVISORY COUNCIL

The Dean's Advisory Council is composed of the five officers of the Business College, and the Presidents of Delta Sigma Pi, Alpha Kappa Psi, Beta Alpha Psi, Society for the Advancement of Management, and the Accounting Club. The purpose of this council is to offer advice, ideas and suggestions to the Dean of the Business college. The council also plans certain student activities such as the annual Business College Banquet which takes place in May, and any other activities which the students of Dean suggest.

ACCOUNTING CLUB

OFFICERS: L to R: J. Robbins, E. Ezelle, T. Caldwell, P. Smith, A. Randall.

The Accounting Club, sponsored by Beta Kappa Chapter of Beta Alpha Psi, the national honorary accounting fraternity, is composed of students interested in the profession of accounting. Beginning in the 1940's with twenty members, the club has grown to a membership of one hundred twenty-one, making it one of the largest organizations of Mississippi State University.

The purpose of the Accounting Club is to enlighten its members in the theory and practice of accounting through the usage of speakers from the accounting profession. These speakers not only enlighten the members as to the possibilities in the different fields of accounting, but provide knowledge and acquaintance of outstanding accountants.

The Mississippi State University Chapter of the Student Section of the American Farm Economics Association is composed of students majoring in agricultural economics and other students interested in agricultural economics. Faculty members and research personnel are granted associated membership. The purposes of the organization are: to stimulate interest in the profession of agricultural economics among students in agricultural social sciences; and to provide an opportunity for wide acquaintance among students and professional workers in the field.

Activities of the club include bringing in guest speakers, holding a fall banquet and a spring picnic, and participating in the agricultural field day. In addition, members participate in public speaking contests and debates sponsored by the national organization.

The Fraternity of Alpha Zeta is a National Honorary Agricultural Fraternity, which is composed of both graduate and undergraduate agricultural students who exemplify high standards of scholarship, leadership, and character.

The specific objectives of Alpha Zeta are: to foster high standards of scholarship, character, leadership, and a spirit of fellowship among all its members; to render service to the students and to the agricultural division of the respective institutions and to promote the profession of agriculture.

The local Mississippi Chapter holds initiation of new members in the spring and fall. A week of wearing overalls, blue denim shirts, brogans, and straw hats, along with corncobs and roll-your-own tobacco, is climaxed by a banquet and formal initiation.

Each year the local chapter presents a plaque to the freshman who has attained the highest scholastic average of his class. The national fraternity awards fellowships to seniors who want to continue with their scholastic training.

A.I.Ch.E

First Row, L to R: Prof. E. C. Oden, Dr. J. L. Weeks, Neil Dickens, Sam K. Farmer, Jerry Black, George Williams, Betty Oden, Benny Smith, Walter Oglesby, Andrew Allen, Prof. E. G. Baker. *Second Row, L to R:* Gus Summerour, James Turner, Ray Trask, Crady Wilson, C. T. Collins, Jr., E. C. Harris III, Richard Spooner, George Lightsey, John Redmon, James Smith, Clark Cropp, Don Unland. *Third Row, L to R:* Forrest West, Keith Buckley, Emile Nassar, Fred A. Lewter, Glendon Bradley, Vic. Putman, Pat H. McCullough, J. Foy Milton III, Larry T. Walker, George A. Newbill, Felix L. Jenkins, Jack Garrett, Ken Rudder Jr., Dale Edwin Mayo, Ronald R. Turnbow.

The American Institute of Chemical Engineers was founded in 1908 with the purpose of advancing the theory and practice of chemical engineering along with maintaining a high professional standard among its members. Since its beginning, the A.I.Ch.E. has greatly contributed to the growth of chemical engineering.

The A.I.Ch.E. is comprised not only of practicing engineers, but also maintains Student Chapters throughout the various engineering schools of the nation. A student, upon joining the A.I.Ch.E. takes his first and biggest step toward becoming a professional chemical engineer. Membership in the Student Chapter is in itself evidence that a student is aware of the importance of professional activity and service, which are characteristic of a truly successful chemical engineering career. Indeed, in engineering, service and professional activity go hand in hand.

The Student Chapter of the A.I.Ch.E. at Mississippi State University holds regular meetings twice a month at which, among other things, talks by engineers from industry, films concerning engineering practice, and other information concerning chemical engineering, are included in the program. A banquet, plant trips, and picnics round out the activities.

A booth is provided in the fall registration line in order that those chemical engineers who desire to become members may join.

Front Row, L to R: George M. Young III, Cecil M. Vickers, Eulan S. Moorehead, Glen O. Rutledge, William S. Barnes, William E. Phillips, William R. Gammon, Charles Edwin Bond, David M. <i>Treasurer</i>	Howard B. Dexter
<i>Faculty Advisor</i>	Edward Springer

The Mississippi State University Student Chapter of the American Society of Civil Engineers is composed of sophomores, juniors, and seniors enrolled in Civil Engineering at Mississippi State University. The objective of the student chapter is to help civil engineering students enrich their college courses by beginning those professional contacts and associations which, continued through life, are so valuable to the practicing engineer.

Twice each year the members of the student chapter have the opportunity to attend the convention of the Mid South Convention of the American Society of Civil Engineers. At these conventions a student representative of the student chapters of the University of Arkansas, University of Mississippi, and Mississippi State University present papers. At these conventions students have the opportunity to meet outstanding leaders in their field.

Participation in the activities of the student chapter helps to develop the student's leadership qualities which are important and necessary to any successful engineer.

The Institute of Electrical and Electronics Engineers is the professional society for electrical engineers. The purpose of the IEEE is to promote the professional development of its members through programs of activities. In addition to the formal monthly programs and films, the IEEE annually sponsors a banquet for all electrical engineers, a field trip, a picnic, and a student-faculty softball game.

Membership in IEEE is open to all students in electrical engineering and related fields.

The world's largest professional engineering society, the Institute of Electrical and Electronics Engineers has 100,000 regular members and over 15,000 student members in 175 chapters in the leading colleges and universities of the United States, Mexico, and Canada.

The American Institute of Aeronautics and Astronautics was formed by the merger of the American Rocket Society and the Institute of the Aerospace Sciences. Membership in the student branch of the AIAA is open to any college person interested in the aerospace sciences. Meetings are held every second and fourth Thursday night of each month during the regular college term. The programs usually consist of either a speaker from visiting industry or from various departments at the University, and an interesting film. Various projects are undertaken throughout the year and include: the field trips to the Arnold Research and Development Center in Tullahoma, Tennessee; the construction of displays for High School and Engineering Day; participation in both the Southeastern Regional Technical Paper Competition in Atlanta and the Southwestern Regional competition in Dallas; and a spring picnic.

HORTICULTURE CLUB

The Horticulture Club, now in its 42nd year of active campus participation, encourages its members, several of whom are majoring in other fields, to avail themselves of the various facilities offered those interested in horticulture. On campus, a commercially operated retail flower shop, a greenhouse range, and various orchards and plots are maintained for demonstrational, instructional, and experimental purposes. A means is thereby provided for the student to observe and practice methods used in commercial operations.

The club's major objective is to promote and develop a better understanding of Horticulture and its varied fields as practiced in Mississippi and the South.

The Future Farmers of America, commonly known as "FFA," is the national organization of, by, and for the boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts.

As an integral part of the program of vocational education in agriculture in the public school systems of America, the F.F.A. has become well known. No national student organization enjoys greater freedom of self-government under adult counsel and guidance, than F.F.A. Organized in November of 1928, it has served to motivate and vitalize the systematic instruction offered to students of vocational agriculture and to provide further training in Farmer-Citizenship.

The Collegiate Chapter of Future Farmers of America uses the same paraphernalia and ceremonies as used by the local chapters in high schools. The Collegiate Chapter of F.F.A. at Mississippi State University is sponsored and supervised by the Agricultural Education Department. It is an extracurricular activity having its origin and root as a definite part of the pre-employment training of teachers of vocational agriculture.

OFFICERS

<i>President</i>	William T. Putman
<i>Vice President</i>	C. O. Herchenhahn, Jr.
<i>Secretary</i>	Daniel Webb
<i>Treasurer</i>	James K. Lane
<i>Athletic Director</i>	Cecil Williams

The Dairy Club, student affiliate chapter of the American Dairy Science Association, was founded in 1919 under the direction of Professor Fred Herzer. The purpose of the organization is to develop a closer association between students, faculty members, and all other persons interested in the dairy industry. Membership in the Dairy Club is open to any student, regardless of his major, who has an interest in either Dairy Production or Dairy Manufacturing.

The regular meetings which are held twice each month are devoted to speakers from the dairy field. In addition to the regular meetings, initiation ceremonies are held each semester and a picnic is held each spring. The big social occasion of the year is the Student-Alumni Banquet.

4-H CLUB

OFFICERS

<i>President</i>	C. O. Herchenhahn
<i>Vice President</i>	Dan Webb
<i>Secretary</i>	Rosannell Berry
<i>Treasurer</i>	George Garrison
<i>Advisor</i>	Mr. C. M. Chafee

The Mississippi State University Student 4-H Club was organized in its present form in 1948. Membership is open to all former and present 4-H Club members. Some of the objectives are to have a student organization at Mississippi State for the furtherance of 4-H Club work in the state, to welcome 4-H Club members to the university family, to continue and strengthen the bonds of common interest of university students interested in 4-H Club work, to help 4-H Club members to adjust themselves to college life, and to serve as the local club for members who wish to continue active 4-H Club work away from home. It carries on projects to interest the college 4-H Club members.

Meetings are held monthly with a program topic that is different from regular college subjects. Photography, manners, good grooming, and use of home appliances are subjects which have been discussed and demonstrated by state Extension staff members. International Farm Youth Exchange delegates who are former 4-H Club members speak before the club. Wide publicity is given to this particular meeting. All students and staff are invited.

The main social event of the year is a party given for the MSCW 4-H Club. This is held during the spring semester.

This club gives counsel and leadership to its members in choosing a career which is useful to society and satisfying to the individual.

The Society of Advancement of Management, the pioneer in management philosophy, has been dedicated to the promotion and advancement of the art and science of management. The varied activities of the individual chapters are developed to further the growth of all students, regardless of their academic major. These activities enable the student to put to use the principles of good management, organization, planning and control in the operation of the chapter. They learn by doing. Through the university's chapter's program, the society endeavors to promote management education, make a significant contribution to the preparation of young men and women for careers in the business world, and render a service to industry and the community.

The Student Chapter of the Mississippi Society of Professional Engineers was organized at Mississippi State University in February, 1960. The chapter, whose membership is open to all engineering students, has as its purpose the development of professionalism. It serves as a stepping stone from academic to practical as students are acquainted with the benefits, aims, and objectives of the engineering profession.

During the spring of 1961 the chapter became affiliated with the National Society of Professional Engineers. The student chapter meets monthly and often has programs in conjunction with the local professional group.

FORESTRY CLUB

OFFICERS

<i>President</i>	E. Lamont Wells
<i>Vice President</i>	Ferrice L. Ball
<i>Secretary</i>	Robert S. Stevens
<i>Treasurer</i>	L. Kent Robbins

The Forestry Club is composed of students majoring in Forestry with non-voting membership open to the faculty of the School of Forestry and to all other interested persons. The primary objectives of the organization are to promote fellowship among forestry students, their families, and the faculty, and to promote professional advancement through contact with outstanding visiting members of the forestry profession. Meetings are held bi-weekly and are planned to inspire professional interest in the field of forestry as well as to provide an opportunity for social activities.

The club is active in preparing forestry exhibits for high school day to create interest in the School of Forestry.

A Forestry Field Day is held each spring with such events as wood chopping, ax throwing, compass and pacing, and log rolling. Competition is always keen. The winners of each event represent the club at the Annual Conclave of Southern Forestry Clubs, which is the climaxing event of the year.

The Student NEA is the professional association for college and university students actively preparing to teach. It comes under the administration of the National Education Association's Commission on Teacher Education and Professional Standards. There are over 840 local chapters with over 72,000 members. The local chapter has 74 members. Any student enrolled in a teacher education program may become a member. When a member, the student is also a member of the Mississippi Education Association and the National Education Association with all the rights, privileges and responsibilities of Associate membership.

The purpose of the Student NEA is to provide the opportunities to members for: (a) Personal and professional growth, (b) Development of leadership skills, (c) An understanding of the history, ethics, and programs of the NEA, (d) Participation in professional activities at local, state, and national levels.

The student association also derives additional professional experiences by holding their own conferences, conventions, and workshops; putting out their own publications; and carrying on various professional activities, including work with FTA Clubs.

The club assists, through the dissemination of information and through the promotion of higher standards of preparation, in bringing teacher's supply and demand into reasonable balance.

Seated: Bill Thornton, President, Freshman Council; Bobby Shows, President, Executive Council. *Standing:* Frank Horton, Director, Baptist Student Work; David Boothe, President, Married Council.

The Baptist Student Union, BSU, is a student organization for Baptists. It functions in and through local churches. Its purpose is to conserve and help train Baptist Collegians for effective Christian discipleship. Not only does the BSU endeavor to remind the student of his responsibility and objectives in life, but it also seeks to provide inspiration, information, and fellowship which create the spiritual climate essential for Christian growth while in college.

Two Executive Councils, one for the single students and one for the married students, are elected by the Baptist student groups each year. These councils with their committees plan the various activities to meet the needs of the respective groups.

The Baptist Student Center, which is property of the Mississippi Baptist Convention, is located adjacent to the campus. This spacious building includes a lounge, assembly room, recreation room, prayer rooms, library, kitchen, offices, and workroom. The Center provides a place for the numerous activities sponsored by the BSU.

Realizing that Christianity is a way of life rather than just a "belief," the BSU purposes to aid the student to build a wholesome, well balanced, and abundant life.

BSU EXECUTIVE COUNCIL

Seated: Walter Simmons, vice president; Sandra Harrison, First Baptist Church representative; Bobby Shows, president; Stella Bagwell, secretary. *Standing:* Donna Bell, Meadowview Baptist Church representative; Lonnie Poole, social chairman; Franz Cornelius, devotional chairman; Ovette Jackson, promotional chairman; Jimmy Howle, student center chairman; Percy Rutledge, Emmanuel Baptist Church representative; C. O. Herchenhahn, stewardship chairman; Phil Fortenberry, music chairman.

BSU MARRIED COUNCIL

Seated: Skipper and Gwen Shelton, co-vice presidents; Thelma Boothe, secretary; David Boothe, president; Katherine and Bill Tucker, co-devotional chairmen; Jane and Nickey, co-social chairmen. *Standing:* Bob and Sara Evans, First Church representatives; Bennie and Mary Rakestraw, seminar chairmen; David and Mildred Musselwhite; Charles and Carolyn Bradshaw.

NEWMAN CLUB

OFFICERS

<i>Treasurer</i>	Jimmy Bartlett
<i>Historian</i>	Rene Bendana

Students are the ones upon whom the Catholic Church must depend for its future lay leadership in the critical years ahead. Catholic students on a secular campus have serious responsibilities as future college-trained Christian citizens, to society and to the Catholic Church.

For this reason, the Catholic Church has provided an organization for students on this campus; the Newman Club of Mississippi State University. It is a Catholic Club of Catholic culture and Catholic fellowship. Its purpose is to deepen the spiritual lives of the students through a program of religious, intellectual, and social activities. Any Catholic student is eligible for membership.

Therefore, the Catholic student is not only taught the teachings of the Catholic Church, but he is taught how to live those teachings, thus bringing his life closer to Jesus Christ.

WESLEY FOUNDATION

WESLEY STUDENT COUNCIL

Seated: Carolyn Hamner, Suzanne Garrison, Jim Balgord, Ronny Stephens, John Turner, Lynda Furgerson, Jeannette Ramsey. *Standing:* Rev. Ed Curtis, Terry Wright, Carey Freeman, Tommy Free, Robert Trotter, Burrow Brooks, Stanley Moorhead, Gary Lee Hawkins.

The purposes of the Wesley Foundation are to develop the personal religious life of its members, to promote Christian fellowship on the campus, to develop Christian leadership, to build a Christian world fellowship, and to provide opportunities for Christian service.

Any member of the Methodist Church or person with Methodist preference is eligible for membership in the Wesley Foundation. The members of the Council of the Wesley Foundation are elected by the Methodist students. Each member of the Council is responsible for leading a definite phase of student work.

The Wesley Foundation is a member of the Methodist Student Movement at both state and national levels.

The Single Student Council plans a program for the Methodist student of the campus, which will bring him closer to Christ in his everyday life. To do this the Wesley Foundation promotes a daily Vesper period, Sunday School and Church activities, social functions, a weekly newspaper, "The Wesley Times," and a campus wide visitation.

The Married Council of the Wesley Foundation is primarily concerned with home and church life of the married students. The Wesley Foundation recognizes that the married students' problems and needs are different from those of the single student. In order to meet these needs a five point program is carried on—this program consists of Sunday School, Fellowship Hour, WSCS, a monthly social, and personal visitation.

WESTMINSTER

The Westminster Fellowship is the student organization of the Campus Christian Life Committee of the Presbyterian Church. Though under the sponsorship and influence of the Presbyterian Church, this organization is open to all students at Mississippi State University.

The purpose of the Westminster Fellowship is to lead students to a greater commitment of their lives to our Lord, Jesus Christ. This aim is pursued through services of worship and fellowship. In addition to participating in the worship services of the local Presbyterian Church, the W. F. has specific times when they worship together as a group. They meet monthly on Sunday nights for programs where they study topics of current and of lasting importance. They also have small groups which study in areas of specific interest, and they meet frequently for periods of fellowship and recreation.

The Westminster Fellowship is under the guidance of an elected Executive Council and appointed commissioners to a General Council. The Executive Council members are: J. Preston Simmons, Moderator; H. Rudy Gilbert, Vice Moderator; La Vance Davis, Stated Clerk; and Lee Huey, Treasurer. The Presbyterian University Pastor and Advisor is Amos L. Wilson, Jr.

The purpose of the Young Men's Christian Association is to be a voluntary campus-centered fellowship of students, faculty members and staff members dedicated to the task of relating the basic affirmations of the Christian faith to the task of higher education and of enriching the college community by extending that community, which is the whole body of Christian believers, into every area of campus life. It is to be a part of a world-wide Christian community united by a common loyalty to Jesus Christ. In the fellowship of the Christian Church, its members seek to understand the will of God through worship, study, and action; and strive to realize it in personal living and in working toward a better society.

Membership Chairman Frank Waggoner

THE YMCA Freshman Club exists to develop leadership and provide service for the Freshman Class. Its membership is open to all members of the Freshman Class and its meetings are conducted each week at a luncheon in the YMCA.

Its main service project each year is the sponsoring of Freshman Camp. This is a pre-school orientation camp open to new students.

The programs at the club meetings are geared around professors and staff members speaking on subjects such as politics, philosophy, economics, science, research, etc.

<i>Historian</i>	Bruce Peterson
<i>Sponsor</i>	Mr. D. J. Cunetto

The Blackfriars Drama Society, named for a famous Elizabethan playhouse, now in its sixth successful season, produced its fifteenth and sixteenth productions. The fall season saw the staging of the comedy-drama "Outward Bound" under the directorship of Mississippi State's first full-time play director, Mr. Dominic J. Cunetto. Membership in Blackfriars is open to every student in the university; talent and experience are not prerequisite. One becomes a member upon earning a minimum number of points by participation in the fall and spring productions, either in on-stage or off-stage work.

ALPHA EPSILON DELTA

Front Row, L to R: Howell, Weatherall, Dr. Ellis, Wright, Glasgow, Sanders, Keubler, Heywood, Trotter. Second Row, L to R: Holloman, Wade, Felto, Hines, Weston, Moran, Hartness, Bruce, Batte, Scott.

Alpha Epsilon Delta was founded in 1926 at the University of Alabama. Since that time it has become the world's largest body devoted to pre-medical, pre-dental, and related fields of undergraduate education. Membership in 1962 exceeded 23,000.

The object of the fraternity is to encourage excellence in pre-medical scholarship; to stimulate an appreciation of the importance of pre-medical education in the study of medicine; to promote cooperation and contacts between medical and pre-medical students and educators in developing an adequate program of pre-medical education; and to bind together similarly interested students.

Membership in Alpha Epsilon Delta is a recognition of superior scholastic achievement of a student and it affords him an opportunity to develop a well rounded personality and qualities of initiative, leadership, and self-education by participating in the activities of his chapter and his fraternity.

DAMES CLUB

OFFICERS

<i>President</i>	Mrs. Audrey Scales
<i>Vice President</i>	Mrs. Charlotte Chadwick
<i>Recording Secretary</i>	Mrs. Edna Ginn
<i>Corresponding Secretary</i>	Mrs. Shirley Landrum
<i>Treasurer</i>	Mrs. Glenda McKay
<i>Publicity Chairmen</i>	Mrs. Carmen Clark
	Mrs. Barbara Cropp
<i>Social Chairman</i>	Mrs. Sandra Nevels
<i>Hostess</i>	Mrs. Jean Jackson
<i>Chaplain</i>	Mrs. Stephanie Bishop

The Mississippi State University Chapter of the National Association of University Dames, founded in 1952, is the only authorized chapter in the State of Mississippi. It is dedicated to promoting friendship and providing fun and relaxation for the wives of students.

Membership is achieved through payments of dues, and all wives of MSU students are eligible for membership. The club meets one night each month. Programs include lectures, parties for husbands and children, fashion shows, demonstrations, and a variety of others, both entertaining and informative.

Upon the husband's graduation from college, the Dame receives her Ph.T. degree, which denotes "Putting Husband Through." Her degree entitles her to all the rights and privileges she has earned by maintaining a home atmosphere conducive to study, understanding her husband's problems, lending her moral support, and in many instances, contributing to family income.

The symbol of NAUD is a circle, symbolic of the wedding band, with an arrow, symbolizing friendship, piercing it. The chapter flower is the chrysanthemum, and precedent has established the slogan, "Once a Dame, Always a Dame."

ALPHA KAPPA PSI

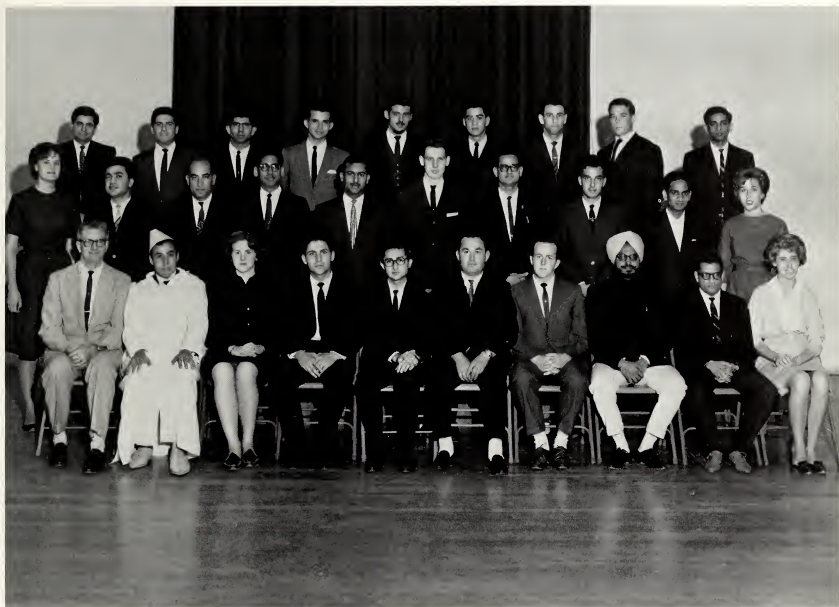

Delta Lambda Chapter is one of 121 chapters throughout the nation of Alpha Kappa Psi Fraternity, the Nation's largest and oldest professional fraternity in business.

Alpha Kappa Psi was founded at New York University in 1904. Delta Lambda Chapter was installed at Mississippi State University on May 5, 1956, and has not since ceased to grow.

The objectives of Alpha Kappa Psi are to further the individual welfare of its members; to foster scientific research in the fields of commerce, accounts, and finance; to educate the public to appreciate and demand higher ideals therein; and to promote and advance in institutions of college rank, courses leading to degrees in Business Administration.

Chapters of Alpha Kappa Psi sponsor professional programs with outstanding speakers from the world of business including professional seminars, business exhibits, and research surveys. Each chapter also sponsors field trips to various industrial concerns in its areas. Delta Lambda Chapter participates actively in these and other projects.

INTERNATIONAL CLUB

The International Club is a unit organization of the YMCA and is composed of students interested in promoting friendly relations between students of various countries represented at Mississippi State University. Supper meetings of the club are held, at which the programs presented are designated to create better understanding and appreciation of the different cultures from which the members are drawn. The Club operates under the direction of its own elected officers with the counsel of the YMCA staff and a representative of the Cabinet. The Club also has a radio program each week, "My Country on the Air," which brings the countries represented by the Club into the homes of the surrounding area.

ALPHA PHI OMEGA

Alpha Phi Omega is the largest Greek letter service fraternity in the world. The Epsilon Iota Chapter of Alpha Phi Omega was established on the Mississippi State campus in 1948. Following the cardinal principles of the fraternity, those of leadership, friendship, and service, the Mississippi State chapter has become one of the most active in the South. Alpha Phi Omega members have assisted with half-time activities at football games, sponsored an Explorer Day program in conjunction with High School Day, and assisted at local Boy Scout camporees. This year, as a service to the state student body, Alpha Phi Omega began sponsoring a Book Exchange. The only requirement for membership in the fraternity, other than university scholastic standards, is a willingness to serve.

STUDENT SENATE

PRESIDENT'S CABINET

Front Row, L to R: June Brown, Randy Lumb, Nancy Pomeroy, Mickey Putman, Paul King, Billy Dodd, Lewis Jackson. Back Row, L to R: Ron Taylor, Richard Shields, Louis Whitfield, Malcolm Balfour. Not Pictured: Jimmy Lipscomb.

The Student Executive Council, often called the Student Senate, is the legislative body of our student government; the President's Cabinet, in addition to being an advisory group to the president, is the judicial body. Executive powers are vested in the president of the SA to be assisted by the vice president, secretary, and treasurer and the President's cabinet. All members of the Student Senate are selected by popular vote. The four SA officers, Reveille and Reflector editors and business managers, and the head cheerleader are the members of the Council who are elected by the entire student body, which comprises the Student Association. The Student Senate is generally concerned with the promotion of social programs, publications, athletics, and general student welfare.

The Association of Women Students of Mississippi State University is the executive governing body of the women students. Its membership includes all women students registered at Mississippi State University. The Association of Women Students regulates the activities of the women students, enforces such regulations of the University pertaining to coeds as do not fall exclusively within the provision of the administration, and serves to bind the women students in a stronger union. The purpose of the Association of Women Students is to maintain the highest standard of honor in every phase of university life and to promote and condition the intellectual and social life of the women students. The AWS strives to increase the enrollment of women students.

This year the AWS sponsored many activities in connection with its program of coed advancement. The highlight of the year was the annual Powder Puff Derby held in November, a fund-raising spectacular in which the coeds demonstrated their football "skills."

Other activities of the AWS this year include the purchasing of a television set for the new women's dormitory. The AWS participated in the MIC convention here at State and attended the national IAWS meeting in Oklahoma City. The AWS was hostess to the bi-state meet of the Intercollegiate Association of Women Students in the Spring.

Drill Team at MSU Homecoming

AIR FORCE ROTC

PAS COLONEL SAM D. HAMILTON

AFROTC—No. 1 Winner

Tuesday—1300 hrs.

BLUE KNIGHTS

Pictured above are the 1963-64 members of the "Blue Knight" Drill Team. The members are chosen from a select group of basic AFROTC cadets. Once selected for membership, the cadets are subjected to strict discipline and precision drill as well as regular drill while training. They must maintain a "C" average in both their Air Science courses and university courses in order to remain on the drill team.

The "Blue Knights" were organized in 1958 for the purpose of giving basic cadets the opportunity for leadership training and a closer understanding of military discipline. They have since gained recognition as a precision drill team in many southern states.

PRESENTING THE 1963 LIBERTY BOWL CHAMPIONS

ODE BURRELL, HB

PAT WATSON, Linebacker

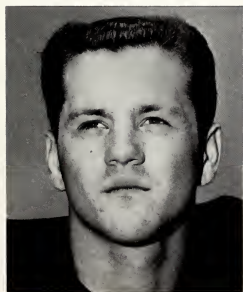

TOMMY NEVILLE, Tackle

Mississippi State, who had come to be known as one of the SEC pushovers, was picked at the beginning of the 1963 season to finish 9th among the "Dixie Dozen." This must have been quite an insult to Coach Paul Davis and his giant killers, for they retaliated in great fashion.

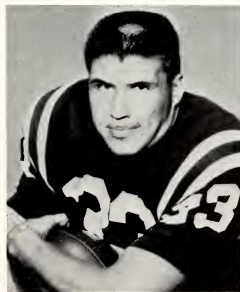

The Maroons finished the season with a 6-2-2 record, beating bowl bound LSU and Auburn, tying bowl bound Ole Miss, and losing by only one point to bowl bound Alabama. The Maroons' "November Nightmare" turned into one of the greatest Cinderella stories of all time.

State went on to defeat North Carolina State in the Liberty Bowl in Philadelphia, 17-10. Ode Burrell was picked the game's outstanding player and Pat Watson was chosen the game's outstanding lineman.

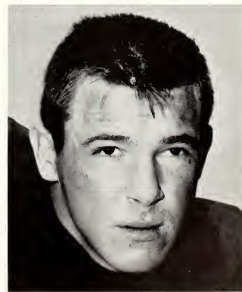

Still, however, the annual cry could be heard, "Wait 'til next year!"

MAROON SUBSTITUTES CRUSH HOWARD

Starkville, Miss., Sept. 21—Mississippi State, playing mostly with substitutes, moved the ball almost at will Saturday to defeat badly outclassed Howard College 43-0.

The Bulldogs of the Southeastern Conference scored in every period and threw up a stout defense to force the Birmingham Bulldogs to play their entire offensive game in their own territory.

Hoyle Granger, 210 pound sophomore fullback, smashed for two touchdowns and other long yardage to head a cast of sophomore backs exhibited by State. Others scoring for State were Burrell, Moon, Ashby Cook, and Guard Ronnie Kirkland. Big Justin Canale kicked one 32 yard field goal and four of six extra points.

MISSISSIPPI STATE TIES FLORIDA

Gainesville, Fla., Sept. 28—Mississippi State's Battling Bulldogs staged a great last-half rally at Florida Field before an audience of 36,000 here this gray cloudy afternoon and held the favored University of Florida Gators to a 9-9 tie.

Three juniors — Quarterback Sonny Fisher, End Tommy Inman, and Tackle Justin Canale—were the key men in State's brilliant come-back from a 0-9 deficit at the end of the first half. It was Fisher who led State's lone touchdown march in the fourth period, Inman who caught a pair of Edward's passes to put the ball in scoring position, and Canale who booted a 31-yard field goal for the first three points that made a tie possible.

BULLDOGS UPSET VOLUNTEERS

Knoxville, Tenn., Oct. 5—Shoemaker Ode Burrell fled 23 yards through the Tennessee Volunteers as the second quarter was getting underway and that hippity-hopping gallop for a touchdown was all Mississippi State needed for a 7-0 victory.

Indeed that was all the battling Bulldogs could manage through completely dominating the first half as three later scoring opportunities were missed.

Through the second half it was all Tennessee with the Mississippians continually battling with their backs to a constantly threatened goal line.

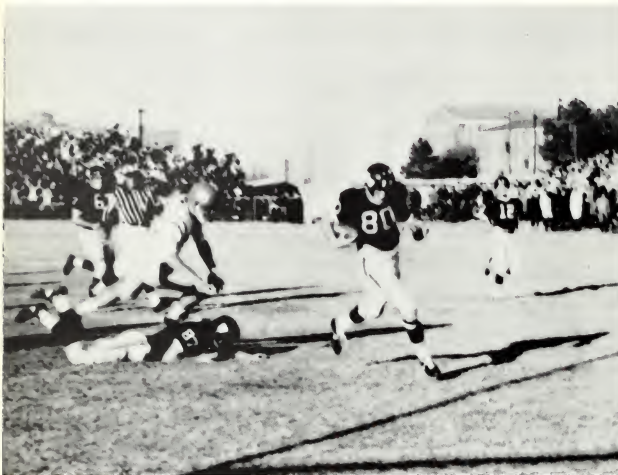

STATE RIPS TULANE

Jackson, Miss., Oct. 12—A team which does not panic when the scoring lights brighten up for the opposition, Mississippi State, Saturday night took Tulane 31-10, scoring all of its 31 after the Greenies had gotten their 10.

State used an intercepted pass by John Sparks, who ran 35 yards after the catch, to send his team into the intermission leading 14-0. Others scoring for State were Price Hodges, Burrell, and Bobby Jones. Canale kicked a 25-yard field goal and four conversions.

BULLDOGS SKIN COUGARS

State College, Miss., Oct. 19—Like the conference title was resting on the outcome, the Mississippi State Bulldogs struck quickly here Saturday afternoon and then sat on the results for a 20-0 homecoming victory over the Houston Cougars for the Mississippians fourth win of the season.

Speedy senior halfback Ode Burrell tallied on bursts of six and eleven yards in the first half and signal caller Sonny Fisher on an eleven yard gallop. Coach Davis cleared the bench with sophs turning in beautiful jobs in the latter part of the game.

TIGERS JOLT STATE

Memphis, Tenn., Oct. 26—Mississippi State University's Bulldogs found the going mighty rugged as they moved into the second half of their 1963 football campaign.

They also learned that defense lapses on kickoffs, bad center snaps, and short punts can spell disaster—especially when the opposition has a good football team.

Memphis State's Tigers exploited those three opportunities and posted a 17-10 verdict before 31,000 folks packed into old Crump Stadium. The Bulldogs used Justin Canale's 47-yard field goal and halfback Price Hodges' running for its points with Canale also kicking an extra point.

BAMA LUCKS OUT OVER STATE

Tuscaloosa, Ala., Nov. 2—Alabama kept slipping out of the trap Saturday and at the end of the see-saw Southeastern Conference game it was Mississippi State that was snared by defeat 20-19.

Mississippi State led by three different scores and all the way seemed on the verge of pulling a major upset. When it was over, the Crimson Tide had its fifth SEC victory and had tagged State with its first conference loss. In the final analysis, Alabama's passing beat Mississippi State's running.

The loss was the sixth in a row for Mississippi State to Bear Bryant & Co., and if there was any consolation after the near miss, it had to be the Maroons finally scoring on 'Bama for the first time since 1958.

DEFENSE AND KICK BREAK AUBURN

Jackson, Miss., Nov. 1—Courage in the magnificent manner earned its just reward when Justin Canale kicked a soggy football 35 yards and directly between the goal posts to give Mississippi State a 3-10 victory over previously unbeaten Auburn.

The field goal came with only 22 seconds on the clock and ruined Auburn's SEC hopes. Little Sonny Fisher intercepted a pass from great Jimmy Sidle to set up the photo finish. Limping Ode Burrell made State's only touchdown on a 22-yard pass play. Canale added the point after and had already kicked another 35-yard field early in the game.

STATE DOWNS LSU IN A CLIFFHANGER

Jackson, Miss., Nov. 16—LSU wagered a football game Saturday night that Billy Ezell could complete a three-yard pass to Bill Truax, and the Tigers were dead wrong. Dead wrong with a capital D. Mississippi State beat LSU 7-6.

Mississippi State scored with a minute and 25 seconds left to play, kicked the extra point, yielded a touchdown to LSU with 14 seconds left to play, and stopped LSU's two-point try. State's touchdown came on a 17-yard pass from Sonny Fisher to End Tommy Inman.

STATE ON TO VICTORY

STATE TIES SUGAR BOWL BOUND REBELS

State College, Miss., Nov. 30—The highly touted "Country Clubbers" came onto the field highly favored to trounce the Maroons for the umpteenth time in as many years. The Rebels had a Sugar Bowl bid all wrapped up and another undefeated season under their belt. These credentials did not impress the Maroons at all.

The Maroons opened the game hitting hard and closed in the same manner. The Rebs had their backs to the wall the entire game and had to settle for a tie.

State's touchdown came on a pass from slightly sensational halfback Ode Burrell to End Tommy Inman. The pass was the first Burrell had ever thrown as a Bulldog.

BULLDOGS WIN AGAIN

The 1963-64 Bulldog basketekers took a back seat in the SEC race for the first time in several years. For Coach "Babe's" men, it was a year of rebuilding and recruiting. The only real bright spots in the dim season were the freshmen and the play of Doug Hutton. The Freshmen, under the leadership of ex-Maroon great Joe Dan Gold, performed superbly and were called by many the best ever. Once again we cry "Wait 'til next year!"

A TRIBUTE

TO A FRIEND

At work at his studio.

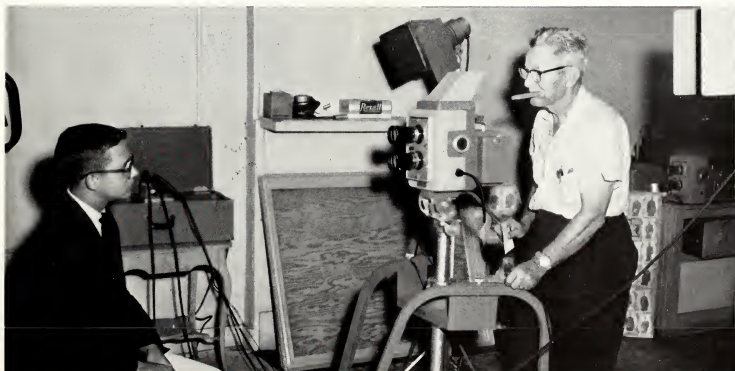

"Papa Jim" delivers class pictures for the 1964 REVEILLE.

"PAPA JIM"

REVELLE PHOTOGRAPHER

For the past four decades Mr. Jim Pruitt, known to all Mississippi State University students as "Papa Jim," has faithfully served this publication as staff photographer. He has furnished the pictures for two-thirds of the volumes of the REVELLE.

Because of his easily acquired friendship with all his associates; Because of his undivided attention to the needs of the REVELLE staff, and because of his overwhelming effort as staff photographer . . . We humbly pay tribute and thanks for his many years service.

Smile, Boy!

Thanks for a job well done!

MISSISSIPPI STATE UNIVERSITY ALUMNI ASSOCIATION

The Alumni Association of Mississippi State University was founded in 1885 by the graduates of the first three classes. During the 83 year history of the institution, more than 67,000 have regularly enrolled as students. Graduates of Mississippi State hold positions in every walk of life. Today the purpose of the Alumni Association is the same as when founded; To provide ways and means of perpetuating the memories of college life, in a manner that would bind to some extent the same time to strengthen, by union or association, the good influences the University might exert through her graduates.

Charles E. Weatherly
Field Secretary
